SOUND OUT: PRIMARY SCHOOLS CONCERT

Thursday 12 March 2020 at 1.00pm
Southbank Centre's Royal Festival Hall

Join the London Sinfonietta to explore some of the most iconic contemporary classical music and inspire your pupils to listen, perform and compose. Sound Out will show students the basics of how composers write music and where a musical idea starts. Our presenter will guide audience members through the building blocks of music in this participatory concert, via a programme of short contemporary pieces.

"I didn't like it, I LOVED it"

"It was inspiring and it helped me recognise that anyone can be a composer even a pupil!"
